Please note that the bond letter is only valid for 90 days from the day you've check-in French Polynesia.

Also the bond letter package **only** includes the services listed in the package, all other services have additional prices.

## **EU citizen duty free fuel package**

Please send us a copy of the captain passport, the boat registration and a copy of the custom entry form in French Polynesia at [yachts@tahiticrew.com](mailto:yachts@tahiticrew.com)

## **Long stay visa and extension**

To obtain a **long stay visa**, you need to apply in a French Consulate or Embassy outside of French Polynesia. The process takes about 6 weeks in average.

Long stay visa cannot be organized from Tahiti.

Once, you have your long stay visa in your passport, you still need to request your carte de sejour on arrival in French Polynesia and submit all your documents again.

You can organize your "**carte de sejour**" at the Haut Commissaire in Nuku-Hiva, Raiatea or Tahiti. It is recommended that you submit your application for a long stay visa on arrival.

Our agent in Nuku Hiva will assist you in organizing your documents again for the "carte de sejour".

You do need a bond letter if you have a long stay visa for French Polynesia.

**Extensions** are not easy to get. They are delivered for very specific purposes.

Tahiti Crew can assist you for your application but we can't guaranty the extension as the Haut Commissaire takes the finale decision.

Please read more information on [www.tahiticrew.com](http://www.tahiticrew.com) in the section yachts services/ formalities.

The Executive Package is our assistance 24h/7 days a week.
