

Ahoy Puddle Jumpers,

TAHITI-MOOREA SAILING RENDEZ-VOUS:

We're getting very excited about next month's Tahiti-Moorea Sailing Rendez-vous, June 22-24, and we hope you are too!

As described earlier, this three-day event has the dual purpose of celebrating the fleet's safe arrival, and showcasing revered Polynesian cultural traditions.

The Rendezvous is fun for all ages from start to finish, including several parties, music and dance presentations, sampling of local cuisine, a cruise-in-company to Moorea, and a full day of traditional Polynesian sports demonstrations. These include six-person outrigger canoe races where cruisers paddle alongside local Tahitian men and women. You really don't want to miss this!

Our Polynesian partners go to a great deal of effort to put on this special event for you, so we hope you will make a special effort to attend. You can sign up now at:

We'll send you a follow-up note soon with this year's event brochure.

Thanks, PPJ event staff
